Tutor Assignment

The next 20 slides show the steaming lights of a number of different vessels. For each set of lights there are 4 different answers.

Choose the one that you think is correct and then mark the corresponding box on your answer grid. When you have completed all 20, send your answer grid back to the College.

Study each set of lights very carefully before you answer.

Question 1

- a) A vessel engaged in towing where the length of the towing vessel is more than 50m and the length of the tow is greater than 200m, underway and making way
- b) A vessel engaged in towing where the length of the towing vessel is less than 50m and the length of the tow is greater than 200m, underway and possibly making way
- c) A vessel engaged in towing where the length of the towing vessel is more than 50m and the length of the tow is less than 200m, underway and possibly making way
